they owe it to themselves and to the role of spirited independence which it is their sole ambition to play that they is their sole ambition to play that they should render themselves secure against the hazard of interference from any quarter, and should be able to protect their rights upon the seas or in any part of the world. We, therefore, favor the maintenance of an army fully adequate to the requirements of order, of safety and of the protection of the nation's rights, the fullest development of modern methods of sea-coast defense, and the maintenance of an adefense, and the maintenance of an adequate reserve of citizens trained to arms and prepared to safeguard the people and territory of the United States against any danger of hostile action which may unexpectedly arise: and a fixed policy for the continuous development of a navy worthy to sup-port the great naval traditions of the port the great naval traditions of the United States and fully equal to the international tasks which the United States hopes and expects to take a part in performing. The plans and enactments of the present Congress afford substantial proof of our purpose in this exigent matter.

International Relations. "The Democratic administration has throughout the present war scrupulously and successfully held to the old paths of neutrality and of the peaceful pursuit of the legitimate objects of our national life, which statesmen of all parties and creeds have prescribed for themselves in America since the beginning of our history. But the cir-cumstances of the last two years have revealed necessities of international action which no former generation can oly in their exploitation, are suggested. have foreseen. duty of the United States to use its nower, not only to make itself safe at home, but also to make secure its just interests throughout the world, and, both for this end and in the interest of investigations and plans to render country both for this end and in the interest of humanity, to assist the world in securing settled peace and justice. We believe that every people has the right to choose the sovereignty under which it shall live; that the small states of the world have a right to enjoy from other nations the same respect for their sovereignty and for their territorial integrity that great and powerful nations expect and insist upon, and that the world has a right to be free from every disturbance of its peace from the first every people has the right agriculture more profitable and counter healthful, comfortable and country having a government should be held to strict accountability for any wrongs done them, either to person or property. At the earliest practical opportunity our country should strive earnestly for peace among the warring nations of Europe, and seek to bring about the adoption of the fundamental principle of justice and humanity, that all men shall enjoy equality of right and freedom from all discrimination in the lands wherein they dwell."

Merchant Marine,

"Immediate provision should be made
for the development of the carrying
trade of the United States. Our foreign
commerce has in the past been subject to many unnecessary and vexatious obstacles in the way of legislation of Republican Congresses. Until the re-cent Democratic tariff legislation it was hampered by unreasonable burdens of taxation. Until the recent banking leg-islation it had at its disposal few of the necessary instrumentalities of in-ternational credit and exchange. Until the formulation of the pending act to promote the construction of a merchant promote the construction of a merchant marine, it lacked even the prospect of adequate carriage by sea. We heartly indorse the purposes and pol-icy of the pending shipping bill, and favor all such additional measures of constructive or remedial legislation as may be necessary to restore our flag to the seas and to provide further facilities for our foreign commerce, particularly such laws as may be made to remove unfair conditions of com-petition in the dealings of American merchants and producers with competitors in foreign markets."
